Information from the Samoa Quarantine Service

Welcome 2006

Welcome

This is the first edition of the Quarantine Division's new-style "e-Newsletter. In this electronic age it is appropriate that we also keep up with modern communication methods, and as most of our stakeholders have email addresses it is an efficient, and cost-effective way to get our message across.

These Newsletters will also be posted on our website www.samoaquarantine.gov.ws

Each newsletter will be devoted to one or two topical subjects, enough to ensure the reader is aware of what is going on in our world, and to encourage requests for further information if that is required.

Please feel free to pass these Newsletters on to your colleagues or friends, and to contact us if you would like more information, or to make comment on any subject published – or perhaps just to ask a question (we even accept praise for doing things right).

My staff and I look forward to your interest and input.

Yours sincerely

Asuao Kirifi Pouono
Assistant Chief Executive Officer
